GENERAL INFORMATION

This Company's tariffs of Local and Long Distance telephone tolls are open to inspection and may be seen upon application to the Manager at the Company's Central Exchange. The joint tariffs of international tolls for conversations with points in the United States are open to inspection and may be seen upon application at the Head Office of the Company in the City of Montreal, or to the Company's Manager at the Block Centre for any locality, the name of which Block Centre will be furnished by the Manager of the local exchange.

The right of the Subscriber is to use the instruments and connecting lines (except public Telephones) where the Company may place them, under such rules as the Company may from time to time prescribe. He shall not extend their use to other individuals, except his servants upon his business; nor shall they be used for any tolls or consideration to be paid by any person other than the Subscriber; nor does this confer on him the right to use the instrument of another Subscriber.

A Subscriber is not allowed to remove or otherwise interfere with the wire connections of parts of any Telephone apparatus leased from this Company, or make attachments thereto.

No profane or obscene language will be tolerated over the lines of the Company and the Company reserves the right to remove the lines and instrument without notice for any violation of this rule.

The Company appreciates prompt reports regarding inattention on the part of its employees, or of interruptions to Exchange Service. Such reports should be made to the Repair Clerk (no number necessary).

Report all complaints of Long Distance Service to the "Long Distance Chief Operator."

If not promptly attended to, complaint should be made to the Manager.

All employees of the Company whose duties require them to enter the premises of subscribers or others are required to wear a badge similar to the accompanying illustration, or to produce a card of identification from the Manager. Any person, claiming to be an employee of the Company who is without this card or badge should be refused admission and the Manager be notified at once by telephone.

The Company assumes no liability whatever for damages occurring from errors or omissions in the making up and printing of this book.

This Directory is the property of the Company. It is printed for the exclusive use of the Company's patrons and is loaned to its subscribers. All persons are cautioned against reproducing its contents.

Rural Party Line Instructions

Always listen before ringing, to ascertain if the line is in use and thus avoid interrupting a conversation that may be in progress.

Before calling a subscriber on your line make sure of his number by consulting the directory. Then ring, being careful to make the signal distinct. The signal to give is indicated by the number following the letter "R". The first figure following the letter "R" represents the number of long rings, and the second figure, the number of short rings. For example, to call R-24, give two long followed by four short rings. Do not press the push-button on your instrument when calling a subscriber on your line.

To call a subscriber on another line, signal the operator and give her the number. To signal the operator, press push-button while ringing.

When conversation is finished, replace receiver and give one quick ring-off. Do not press push-button while ringing off.

Conversation should not exceed five minutes' duration. Bear in mind that while you are using the line other subscribers are unable to do so.

New Direct Service

A NEW SERVICE has been put into operation between the places shown below. To use this service you need not ask for Long Distance.

Just give the number wanted to your own operator, as with a local call.

Do not hang up the receiver, but hold the line while connection is established.

This direct service is available only on calls where you ask for a number instead of a person. For example, if you are calling Hespeler from Guelph, say to the operator "Hespeler 67" (or whatever the number may be).

If you are unable to find the number of the person you want in the directory, ask "Information."

Service available from GUELPH to:

				Also from	
Hespeler	10cts	For 5 minutes conversation		Elora to Fergus	10cts
Rockwood	10cts			Fergus to Elora	10cts
Acton	15cts	For 3 minutes conversation		Brampton to Toronto	20cts

Fergus	15cts			Georgetown to "	25cts
Kitchener	15cts			" to Hamilton	25cts
Preston	15cts				
Waterloo	15cts

and from these points to Guelph.

If you must speak to a particular person ask for "Long Distance" and give her the details of the call.

DO NOT Permit Attachments To Your Telephone

PERSISTENT efforts are being made to induce our subscribers to purchase devices to be attached, for various purposes, to the transmitters of telephones.

We wish to remind our subscribers that the instruments on their premises are the property of the Company and that foreign attachments are not permitted. Such attachments invariably impair transmission of speech and the Company's inspectors have instructions to remove them when visiting subscribers' premises.

The instruments are necessarily very sensitive and have been designed to produce the best results as they are.

In the interest of the service we request our subscribers to refrain from allowing such attachments to be made.

DO NOT Permit Attachments To Your Telephone

PERSISTENT efforts are being made to induce our subscribers to purchase devices to be attached, for various purposes, to the transmitters of telephones.

We wish to remind our subscribers that the instruments on their premises are the property of the Company and that foreign attachments are not permitted. Such attachments invariably impair transmission of speech and the Company's inspectors have instructions to remove them when visiting subscribers' premises.

The instruments are necessarily very sensitive and have been designed to produce the best results as they are.

In the interest of the service we request our subscribers to refrain from allowing such attachments to be made.
